Dear Kindergarten Families,

Hello and congratulations! Our records indicate you have a child that will be starting kindergarten in September 2019. I want to help get the process started by informing you we will be having kindergarten registration at Nassau Elementary School on Wednesday, February 20th through Thursday, February 21st between the hours of 9:30 AM and 2:00 PM.

Your child does not need to be present for the registration process. A kindergarten screening date will be set up during registration and your child will be required to attend on that date. For your convenience the kindergarten registration packet is available on our website at <https://nes.spackenkillschools.org/>. We recommend that you bring the packet completed and notarized to registration day.

We require the following documents:

- 2 - Proofs of residency
(Lease/Rental agreement, mortgage document, deed, a current tax bill, paystub, income tax form, membership documents (e.g. library card), affidavit from parent, voter registration documents, statement by third party landlord, or a utility bill or other bills)
- Documentation regarding age of child
(Original stamped birth certificate, record of baptism or passport)
 - Your child must be 5 years of age by December 1, 2019 to start kindergarten in the 2019-20 school year.
- Parent/guardian driver's license
- Child's most recent immunization and physical records

If you have any questions, please call us at 845-463-7843.

Sincerely,

Ms. Nancy Ferrarone
